

Display your Gold Performance Acknowledgements with these beautiful star-shaped plaques!

AwardPlace.com's star-shaped award plaques are a great way to display your Gold Performance Acknowledgments so that students, parents, visitors, and staff will all be aware of these accomplishments. These solid-oak star plaques measure approximately 10" in diameter and include a laser-engraved oak and walnut "Gold Performance" banner across the top. A black-on-brass plate is engraved with the award title and year won. For a small extra fee, the school name can be added to the plate.

Paddle Tramps Mfg. Co. is owned and operated in Lubbock, Texas. The company is 50 years old and produces fine custom award plaques for corporations and educational institutions across the United States. If we can answer any questions, please call us at (806) 765-9901.
